From

P. N. Purnaiya, Esquire, B.A.,
Excise Commissioner in Mysore,

To

A. V. Nanjundayya, Esquire, M.A., B.L.,
Secretary to the Government of Mysore,
General and Revenue Departments.

Sir,

In reply to your docket No. 75 — Ex. J. 2-97 dated 18th instant, I have the honor to state that the four peons in question are permanently required to guard the Ganja stores in view to prevent the theft of the drug and other irregularities, as the Government is equally interested in the protection of the drug as the Ganja supplier, just as in the case of arrack.

Hitherto the stores were under double locks, and were nominally guarded

guarded by the gate watchers. But the Gánja stores have been enlarged, and although the Contractors will hereafter supply the drug, they too are bound under the rules to cure the gánja in the Curing yard in the Distillery Buildings around the Gánja Stores, should they grow Gánja within reasonable distance from the Distillery of 5 or 6 miles, as they are arranging to do.

Besides this, the situation of the Gánja store room is not convenient for being guarded by the gate peons, as it is not in sight; and it is desirable that the packing also should be watched.

I have the honor to be,
Sir,
Your most obedient Servant,

M Srinivas

Excise Commissioner in
Mysore.
